Dear Mr. Gleeson:

Thank you for the generous donation of blankets to Thunder Bay and Area Victim Services. TBAVS provides 24/7 crisis emotional support, practical assistance, referrals and advocacy.

The blankets have been used to create kit bags to be given to victims of crime and tragedy. The kit bags also include toiletries, mini first aid kit and a notebook.

With your generous support, we will be able to help many individuals with essential needs.

Sincerely,

Renee Monsma  
Executive Director
